

Oakville Lawn Bowling Club Junior Program 2019

Our Junior Program began in 2017 with 30 young bowlers enrolled. It was a great success; and so, was the birth of the largest junior lawn bowling program in Ontario.

We have an exciting season planned for our junior members in 2019, with the assistance of 11 enthusiastic volunteer coaches. Part of the regular season will include mini competitions within the club, and we are hoping to also arrange some inter-club competitions for those interested.

Additionally, the Oakville Lawn Bowling Club will supply the bowls for our junior participants. We have procured enough new bowls so that each participant will have their own set for the season. This is a wonderful opportunity for you to introduce your children or grandchildren to this great game!
